### NEW SUBSCRIBERS

As this is a new subscription there will be no pro forma invoice. Therefore, on receipt of your order and cheques, we will send a letter of confirmation informing you of the subscription number that has been issued to you or your client.

### PAYMENT

- Payments must be made in *advance* only. Orders will not be processed without payment and any underpayments will require the cheques being returned for re-issue.
- All cheques must be made payable to “**The College of Occupational Therapists Ltd.**”, in *sterling* and drawn on a London bank.
- We also accept payment by most Credit and Debit cards. Please provide us with the following information:
  1. The card number
  2. The expiry date
  3. If using *Switch*, a note of the issue number.

### CLAIMS

- Claims for missing issues need to be received *within* six months of the date of publication. For example, claims for the January issue must be reported before the end of June. Missing issues will *not* be dispatched after the six-month period. Replacements will only be sent if there is sufficient stock in hand.
- It is important that you inform us of any change in agency or address, so that our records can be kept up to date and ensure the efficient mailing of journals.
- Refunds for cancellations cannot be accepted after the subscription period has commenced.
- Please make sure that Agent and Subscriber addresses are legible and in *English*, in order that the publication and any other correspondence can be forwarded to the correct address.
