

AMPUTEE REHABILITATION

Introductory course to the Rehabilitation of the Elderly Lower Limb amputee.

Date: Thursday 9 - Friday 10, October, 2008

Venue: Douglas Bader Centre, Queen Mary's Hospital, Roehampton Lane,
London SW15 5PN.

Cost: £200

Cheques payable - Wandsworth PCT

Closing date - 5th Sept 2008.

The course is designed for therapists and nurses as an introduction to the care of the lower limb amputee. Areas covered will include: pre and post-operative care, prosthetic considerations for each level; aims of gait re-education. There will be opportunities to interact with amputees.
